Re: Notice of Ex Parte Presentations  
*Digital Must Carry*, CS Docket No. 98-120

Dear Ms. Dortch:

On February 1, 2005, Philip Kent, Chairman and CEO of Turner Broadcasting System, and Steven Teplitz, Vice President and Associate General Counsel, Time Warner Inc., met with FCC Commissioner Michael Copps and Jordan Goldstein, Legal Advisor to Commissioner Copps, to discuss must-carry and the definition of “primary video” as it relates to the digital signal of a broadcaster. In particular, we urged the Commission to reaffirm its conclusion that “primary video” includes only a single video stream.

Pursuant to Section 1.1206(b) of the Commission’s rules, copies of this notice are being filed electronically in the above-captioned proceedings for inclusion in the public record. Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,

Steven N. Teplitz

cc: Commissioner Michael Copps  
Jordan Goldstein
